Want to Create a  
Custom Gift Set?

We build healthcare gifting programs that fit your goals and your budget.

From Nurse Appreciation Week to year-round employee recognition, curated kits are one of the most effective ways to show meaningful appreciation to your team.

With BirdieBox, you get access to premium products, proprietary brands, and custom packaging, making it easy to create programs that feel thoughtful and well executed.

Need delivery across departments or multiple facilities? We handle everything from sourcing and personalization to kitting and shipping, so your team doesn't have to.

Let's build something your staff will actually feel.

### Soft Touch Gift Boxes

Give your team a gift that feels as good as it looks. Our premium soft-touch boxes feature magnetic closure, flocked foam, satin lining, and custom crinkle fill for a truly elevated unboxing experience. Fully customizable with your logo, names, or messaging, these keepsake-quality boxes turn appreciation into something lasting.

### Custom Kitting

Bring your appreciation program to life without the heavy lift. We customize your products with print, etch, or embroidery, then kit everything into premium packaging designed to your brand. Add custom notes or video booklets for a personal touch, with bulk or multi-location shipping handled seamlessly.

### 3PL Services

BBX Foundry delivers scalable 3PL and fulfillment solutions, including inventory management, custom online stores, kitting, and nationwide shipping, built to support growing brands with flexibility and precision. Find more information at [www.bbxfoundry.com](http://www.bbxfoundry.com).
